Our New Edwardsville Location Now Open!

The dream continues in Edwardsville along with our commitment to bring quality seafood and cajun cuisine in a casual setting to the Midwest. After 7 years in Creve Coeur, we selected Edwardsville for our second location, another great Midwestern family town experiencing hyper growth. We felt right at home with so many other family owned businesses. Now we are ready to fully embrace this city with a Southern hospitality and the best of Cajun dining. At Gulf Shores Restaurant & Grill, N'awlins is closer than you think!

Our Edwardsville address is 215 Harvard Drive, Edwardsville IL
