Welcome to the Gulf Shores Restaurant & Grill

Homemade, Handcut, Done Right!

We spend hours creating our own homemade sauces, blended Cajun spices, salad dressings, and desserts. From our hand-cut fish, hand-battered shrimp, homemade crab cakes, gumbo soups, and fresh ocean fish entrees to our homemade bread pudding, key lime pie, chocolate pecan pie, beignets and the best cheesecakes anywhere. Our daily specials will give you all the N'Awlins flavors. The goal is to take you beyond what is typically found in casual seafood and Cajun restaurants. Our smoke-free environment allows the freshest smells of Creole & Cajun cooking to appease you as soon as you enter the restaurant. Welcome to N'Awlins in Creve Coeur, Missouri and now Edwardsville, Illinois!!! Check out the live music...You're closer to N'Awlins than you think!

**GIVE A GIFT
